Lawn & Garden Equipment

Poulan PRO®
Poulan®
WEED EATER®

A Heritage of Power & Durability

The Poulan Pro®/Poulan®/WeedEater® lines of equipment are backed by a long heritage of innovation that began in 1944. This history is reflected in our line of powerful riding mowers, lawn mowers, tillers, trimmers, blowers and chainsaws.

We use powerful engines from the industry's leading suppliers of 4-cycle and 2-cycle engines for outdoor power equipment.

Our gas-powered 2-cycle handheld power equipment will help you have the best looking lawn in the entire neighborhood.

Our convenient electric trimmers, blowers and chainsaws help you tackle the toughest cleanup jobs around the house.

What does the Poulan® brand offer?

- Poulan Pro® tractors represent the best value to home owners in the marketplace.
- Product quality, features and aggressive pricing make Poulan Pro® tractors an attractive purchase to consumers.
- Home owners have a full array of parts and accessories available to them.
- Home owners have a top notch service network they can turn to when service is needed.

What does a Poulan Pro® tractor offer?

COMFORT • DURABILITY • PERFORMANCE

High back padded seats for comfort
Easy slide seats
Electric PTO (Electric Clutch Blade Engagement) on all 54" models
22" tires for better traction. Garden tractors have larger 23" tires.
42", 46" and 54" decks
Deck wheels to prevent scalping
Powder painted deck to help prevent rust
Cruise control for an easy ride
Rugged cast iron front axle
Added leg room
Briggs & Stratton Intek engines* with oil filters to extend engine life
Easy to engage manual clutch
Deluxe steering wheel
Poulan PRO

Power and Features

The 2008 line of riding tractors is equipped with a variety of combinations of the features listed below. This will make it easy to find the model that best suites your needs.

Mulch Kit
Optional mulch kit offers a powerful mulcher that will help add nutrients to your soil. Kits are available for all deck sizes (38", 42", 46" & 54").

Superior Performance
All Poulan Pro® tractor mower decks are made from durable, thick-guage steel.

High Back Padded Seat
Seat offers added comfort and support while mowing.

Fuel Tank Sight Gauge and Large Mouth Fuel Opening
A large 4 gallon tank (on specific models) with sight gauge and wide fuel opening makes refueling quick and easy.

True Hydrostatic Transmission
No more using the clutch to change gears while operating your tractor—just like an automatic car transmission.

Cup Holder
Safely carry your favorite beverage with you on the tractor while you mow.

Electric Clutch
Engage the mower blades with the touch of a button.

Optional Bagger and Attachments
Give your lawn that professionally finished and manicured look by collecting all of your clippings with an optional grass catcher.

Our 2008 lawnmower line offers a combination of models with the choice of side discharge, bag and mulching units that feature powerful engines from the top manufacturers in the industry with self-propelled features that make mowing fast and easy.

Briggs & Stratton Quantum Engine*

As with the tractor engines, Briggs & Stratton mower engines offer durability, dependable starting and the power you need to get the job done.

Rear Bagging
Large bag with side opening for easy emptying.

Self-Propelled
Let your mower do the work for you.

High Wheels
Make mowing easier when conditions are rough or hilly. Easy to turn and easy to maneuver.

3-in-1 Cutting System
Mulching, bagging and side discharge ready. No tools required!

3-in-1 Cutting System
Poulan Pro® mower decks are designed to create a better vacuum that results in better bagging and mulching.

Easy Start Primer
For more reliable cold starting.

Height Adjusters
Adjust the cutting height easily. No tools required!

* Engine power values are as rated by the engine manufacturer.

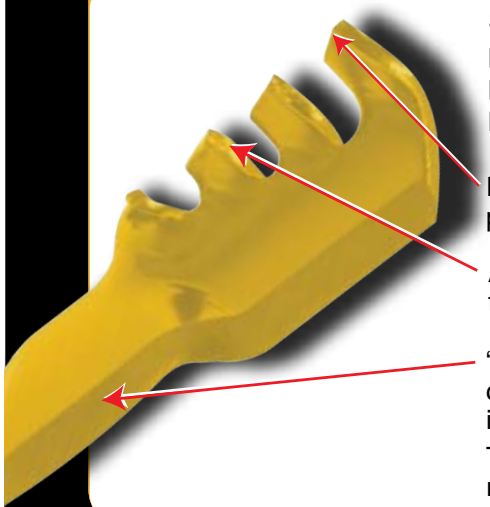
ELIMINATOR®

Poulan PRO® Poulan®

"Eliminate" your grass clippings with the ONLY patented mulching and shredding blade available!

- ***ONLY 4-in-1 blade that mulches, shreds, bags and discharges!***
- ***STRONGEST blade in the industry, lasting 40% LONGER than other standard blades!***
- ***holds its cutting edge LONGER!***
- ***produces very fine clippings that decompose quickly!***
- ***bag more with a single bag!***

"Reverse Lift" mulch section



Exclusive Feature

Standard lift + patented ***Reverse Lift*** mulching feature produces better underdeck turbulence, better cutting and better mulching!

ELIMINATOR special end configuration produces very fine clippings.

Angled "Airlift" teeth promote clipping flow to the center of the deck.

"Reverse lift" mulch feature discharges clippings on mulching decks and aids in re-cutting.

The longer cutting edge provides better re-cutting of your clippings.

Fits Poulan Pro® and Poulan® Lawnmowers.
